BB CREAM BLEMISH BALM

Skin condition

All skin types.

Product description

A light blend of moisturizer, foundation and SPF 15, for an even skin tone and long lasting softness.

Directions

Apply a thin, even layer using fingertips or a sponge. Use daily.

Benefits / Top retailing points

- Gives skin an even tone and long-lasting smoothness.
- Helps to conceal blemishes and imperfections.
- Protects skin from UV rays with SPF 15.
- Leaves the skin balanced and hydrated, with a smooth natural glow.
- Contains color capsules that match skin tone for a natural even complexion.

Best used with

Balancing Facial Serum
Essential Moisture Face Cream (Normal to combination skin)
SEACRET Blending Sponge

Key ingredients

Jojoba & Grape Seed Oils: Essential oils that nurture and condition the skin, restoring softness.

Allantoin: Protects, soothes and hydrates the skin.

Vitamin E: Antioxidant that fights free radical damage.
