Get Rewarded

After a 12-consecutive month period of loyalty, you will be rewarded with a vacation voucher.

*Your Loyalty GetAway Pack is available per 12-consecutive months of membership. Limit one per member. Due to the exclusivity of this offer, some of the resorts in the program only allow members to book 1 unit per destination/city during a rolling 36-month period. The voucher holder will be responsible to check this requirement against their previous bookings.
