WHAT ARE SEACRET HYDRAMUD VITALIZE MUD CONDITIONER'S MAIN INGREDIENTS?

Our reformulated Mud Conditioner is enriched with a premier HydraMud Complex made with Dead Sea mud and minerals, argan oil, pro-vitamin B5, and hydrolyzed silk to give hair feeling refreshed and moisturized. This one-of-a-kind conditioner is also enhanced with shea butter and chamomile extract for a nourishing, revitalizing experience for all types of hair.

WHY DOES OUR CHOICE OF CONDITIONER MATTER?

Conditioner is one of the most important elements of any haircare routine. High-quality conditioners nourish your hair, helping reduce breakage and split ends. Conditioner also helps detangle hair. But, like all hair care products, not all conditioners are created equal. That's why a simple drugstore conditioner typically won't do. We recommend using a well-formulated conditioner, which is key for getting – and keeping – healthy, soft, and shiny hair.

Pro Tip: A well-formulated conditioner is best paired with an equally great shampoo. Try pairing HydraMud Conditioner with our recently reformulated HydraMud Shampoo for a reinvigorating hair experience.

HOW DO I USE SEACRET HYDRAMUD VITALIZE MUD CONDITIONER?

Begin by shampooing and rinse thoroughly. Apply HydraMud Conditioner and work through by gently running your fingers or a wide-toothed comb through your hair. Leave on for 2-3 minutes. Rinse well. For best results, pair with HydraMud Energize Mud Shampoo.

Pro Tip: HydraMud Conditioner makes a great deep conditioner! If your hair is dry or bleached, apply a small amount on your ends at night. Roll your hair into a bun and let it sit overnight. Rinse in the morning.

CAN I USE SEACRET HYDRAMUD VITALIZE MUD CONDITIONER WITH A NON-MUD SHAMPOO?

06

Yes. But we recommend treating your hair with products from the same hair care line, as they often complement each other with similar ingredients, which amplifies their benefits.

07

IS SEACRET HYDRAMUD CONDITIONER SAFE FOR MY HAIR?

Of course! We use only safe, natural ingredients (see our Seacret Clean promise) that are clinically tested to ensure our products are suitable for all hair types, including fine or delicate hair. HydraMud Conditioner is a gentle formulation that helps ensure results without stressing the hair.
