

SEACRET

Bio Skin Glow

Your natural glow, powered by science.

This presentation is part of SEACRET Global Education Program. Please verify that all information and claims are suitable for each market. Please check all products and information for conformity to each market. Please be aware that ingredient lists may change or vary from time to time. Please refer to the ingredient list on the product package you receive for the most up to date list of ingredients.

We are proud to present

THE NEW GLOW OF SEACRET – BIO SKIN GLOW

A personalized radiance-boosting skincare system, Bio Skin Glow optimizes luminosity and vitality featuring Glow Complex micro green algae, pea extract peptide and Seacret breakthrough patent-pending blend Ferment 21™.

Line Concept

1. GLOW COMPLEX

2. PERSONALIZED SKIN CARE SYSTEM

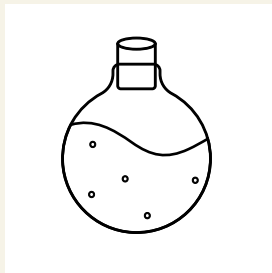

3. HELPS FIGHT THE SIGNS OF AGING

4. VEGAN, SAFE & CLEAN - SEACRET CLEAN PHILOSOPHY

The Glow Complex

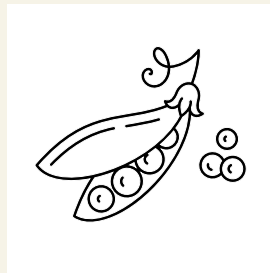

Bio Skin Glow is a fully customizable, glow-boosting vegan skincare system that adapts to the changing needs of skin to optimize luminosity and vibrancy.

It features a unique Glow Complex that unveils a naturally healthy, resilient skin with a flawless, youthful sheen. The Glow Complex boasts our signature bio-fermentation technology FERMENT 21™ along with Pea Extract Peptide and Micro-Green Algae Extract.

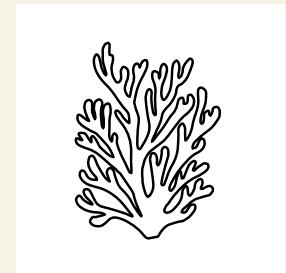

FERMENT 21™

FERMENT 21™ is a potent bio-ferment of microalgae *Dunaliella salina* and Dead Sea minerals, which helps strengthen the skin's barrier, optimize collagen, encourage natural skin cell turnover, and promote youth.

PEPTIDE FROM PISUM SATIVUM (PEA) EXTRACT

The cutting-edge skin-synergistic Pea Extract Peptide helps reduce the appearance of dark spots and wrinkles.

MICRO-GREEN ALGAE EXTRACT (DUNALIELLA SALINA EXTRACT)

Packed with amino acids, polysaccharides, minerals, and proteins, Micro-Green Algae Extract helps boost cellular energy and restore luminosity.

The New Personalized Beauty Skin Care System – Bio Skin Glow

**Bio Skin Glow

Which Should You Use?

Depends on what you're looking to address.

Hydrate, Glow, Resurface – each ampoule serum in this trio is a super-concentrated blend of essential nutrients to address specific skincare needs.

VC Ampoule Serum
A super dose of Vitamin C to brighten skin tone and help reduce signs of aging.

HA Ampoule Serum
An ultra-potent blend of hyaluronic acids to help plump the skin.

MA Night Ampoule Serum
A cocktail of top-performing multi acids for more youthful-looking skin.

All ampoule serums are formulated to be applied alone or combined to deliver everything your skin needs for radiance and health.

Mix and Match – the great thing about the ampoule serums is that **they are team players**. When mixed, they work very well together, especially if you have a number of skincare concerns.

Bio Skin Glow Milky Essence

120ml e 4Fl.Oz
30ml e 1Fl.Oz

For all skin types

A post-cleanse, third generation toner for instant skin softness and hydration. Featuring thousands of micro droplets to create a refreshing, silky drink for skin.

HOW TO USE

Milky Essence (120ml bottle) Apply to a cotton pad or fingertips and smooth over face and neck, avoiding eye area. Use morning and evening. Follow with your targeted Ampoule Serum.

Milky Essence Mist (30ml spray) Mist over face and neck from a distance of 15 cm. Use morning and evening. Follow with your targeted Ampoule Serum.

BENEFITS

- Helps boost skin renewal and hydration
- Promotes clarity and radiance for a lit-from-within look
- Helps tone the skin for a smoother, tighter appearance
- Regular use helps restore softness and plumpness
- Available in spray form in a mini travel size for all-day freshness

Bio Skin Glow VC Ampoule Serum

30ml e 1 Fl.Oz

For all skin types

A milk-in-oil formula with concentrated vitamin C. The ampoule serum helps brighten and fight dullness, addressing uneven skin tone, improving skin radiance and giving immediate luminosity.

HOW TO USE

Shake well before use. Use before moisturizing or on its own. Apply 2-3 drops and smooth over face and neck. For an intense boost, add 2-3 drops to Advanced Radiance Cream and blend before applying. Use morning and evening.

BENEFITS

- Delivers an ultra-potent form of Vitamin C
- Easily absorbed for swift delivery of antioxidant protection
- Helps improve dullness for a flawlessly radiant, revitalized look
- Leaves skin feeling soft and smooth without a greasy feel
- Helps improve loss of firmness and the appearance of lines and wrinkles

Bio Skin Glow MA Night Ampoule Serum

30ml e 1 Fl.Oz

For all skin types

An overnight serum packed with smoothing agents to resurface and refine skin for the ultimate fresh glow by morning.

HOW TO USE

Use before moisturizing or on its own. Apply 2-3 drops and smooth over face and neck. A mild tingling sensation may be experienced as the acid complex gets to work. For an intense boost, add 2-3 drops to Advanced Radiance Cream and blend before applying. Use at night time.

BENEFITS

- Delivers potent actives to skin throughout the night
- Dissolves dead surface cells to reveal fresh skin
- Brighter, smoother, softer looking skin the next morning
- Promotes a flawless, glossy radiance
- Encourages natural skin cell turnover
