PATENT PENDING

TIP

\*For daily refreshing cleansing: Apply appropriate amount onto sponge or shower towel and work into rich lather. Massage onto entire body and rinse thoroughly with water.

\*For weekly/biweekly deep cleansing: Apply appropriate amount onto hands and massage concentrating on areas where deep cleansing is required. Gently slough away dead skin cells and rinse thoroughly with water.

# PURE SALT BODY EXFOLIATOR

## 71% DEAD SEA SALT

### Skin condition

All skin types.

### Product description

Rich, buttery-textured body peel is fortified with coarse mineral salts that gently exfoliate dead skin cells, leaving a smooth, refined finish. Nourishing salt blend helps to regenerate body skin for a fresh, youthful and silky skin sensation.

### Directions

In the shower, massage on wet body skin using gentle circular motions. Rinse thoroughly.  
Use Twice a week.

### Benefits / Top retailing points

- Home Spa - from the Dead Sea to your home.
- A refreshing body cleanser.
- Effectively exfoliate dead skin cells.
- Boost skin vitality.
- Pro-youth.
- Pro-radiant and glowing skin.

### Best used with

Pure salt Cleanse & Polish Facial Wash

### Key ingredients

**Dead Sea Salt:** Naturally invigorating minerals relax muscles and help rejuvenate the skin to smooth away roughness and enhance softness.

**An ultra mild cleansing agent derived from Coconut Oil**
