PATENT PENDING

TIP

The high content of Dead Sea salt (62%) may irritate skin when using the product, but this is only temporary. It is okay to continue using the product.

PURE SALT CLEANSE & POLISH FACIAL WASH

62% DEAD SEA SALT

Skin condition

All skin types.

Product description

Granule-rich blend of nourishing mineral salts cleanses deeply to create hydrated, revitalized skin. Uniquely textured with gentle exfoliating power, it refines and polishes the skin surface, leaving a smooth, healthy sensation.

Directions

Squeeze product onto the palm of your hand, add a small amount of water and rub hands together to form a lather. Then massage with both hands on face skin. After the salts are fully dissolved, rinse thoroughly in lukewarm water. Use Twice a week.
