MINERAL-RICH PEELING GEL

Skin condition

All skin types.

Product description

A lightweight gel that provides gentle exfoliation for deep cleansing results.

Directions

Apply to clean, dry skin and gently massage onto the face in circular motions for gentle exfoliation. Hands and face must be completely dry prior to application for maximum benefits. Applying with water on hands and/or face may result in product adhering to skin. Rinse clean with water. If adhering occurs, use a towel to remove product.

Key Benefits

- Removes dead skin cells.
- Creates smoother, softer and brighter-looking skin.
