RECOVER DAY MASQUE

Skin condition

All skin types.

Product description

Revolutionary masque for a visibly luminous and smooth effect.

Directions

Activate the masque by massaging the sachet before opening until contents are fluid. Spread the masque on clean, slightly damp skin. Leave on for 10-15 minutes or until powdery. Rinse with warm water.

Key Benefits

- Lifts the skin and helps diminish the appearance of fine lines and wrinkles.
- Creates an invisible network matrix for short-term wrinkle relief and long term wrinkle appearance reduction.
- Effect lasts for up to 8 hours.
- Provides soft peeling and deep cleansing.
- Leaves the skin feeling soft, clean and glamorous.

Best used with

Facial Cleansing Milk

Age-Defying Refresh Vitamin-rich Moisturizer

Key ingredients

Silica Microstructure Network : Creates lifting effect.

Vitamin E: Antioxidant that fights free radical damage.

Vitamin A: Skin regenerating properties that help to diminish fine lines and wrinkles.
