DIGESTX

Product Description

DIGESTX is a full-spectrum vegetarian enzyme formula that aids in the digestion of proteins, carbs, fats, fiber, gluten, dairy, and soy. It supports your body's digestive system and gastrointestinal tract.* It can be used on a regular basis to help alleviate temporary digestive discomfort or occasionally for hard-to-digest meals.

Benefits / Top retailing points

- Contains digestive enzymes
- Helps promote the digestion of protein-rich foods*
- Supports digestion of carbohydrates*
- Helps promote restful sleep*
- Helps temporary gas and bloating associated with the foods you eat*
- Aids in the digestion of proteins, fats, oils, fiber, dairy, and soy*
- Non-GMO
- Gluten, dairy, and sugar free
- Soy, nut, and nightshade free
- No fillers, artificial flavors, sweeteners or preservatives
- All-in-one digestive enzyme formula

DID YOU KNOW?

- Enzymes are naturally occurring substances contained in whole foods that are essential to the digestion and assimilation of dietary nutrients
- When whole foods are cooked above 118 degrees F (47.8 degrees C) many naturally occurring enzymes are deactivated or destroyed
- This reduces digestion efficiency and nutrient uptake
- Supplementing with a full-spectrum dietary enzyme formula can help support the natural digestive process*

Directions:

Take 2 capsules with a meal, or as directed by your health care practitioner.

Caution:

If you are pregnant, nursing or on medication, or have a medical condition, consult your physician before use. Do not use if seal is broken or missing.

HYDROFX®

Product Description

HYDROFX® is a unique slow-release mineral complex infused with hydrogen that supports cellular energy production and the body's natural antioxidant defense system.*

Upon ingestion with water, HYDROFX® releases hydrogen and electrons within the body to support cellular energy production and the body's natural antioxidant defense system thus helping to protect the body against environmental and lifestyle related stress.*

Benefits / Top retailing points

- Helps ease occasional discomfort and maintains joint health and flexibility*
- Helps maintain a healthy nervous system and stress adaptation*
- Helps maintain blood sugar levels for those already in the normal range*
- Helps maintain a healthy cardiovascular system and supports healthy cholesterol levels for those already in the normal range*
- Provides anti-aging benefits and promotes healthy skin*
- Aids in the reduction of lactic acid after exercise and supports lean muscle tissue during exercise*
- Source of calcium to build strong bones*
- Slow-release formulation delivers hydrogen to the body over multiple hours*
- One serving per day is all that is needed
- Vegan gel capsule system makes consumption simple and convenient
- Kosher

Did You Know?

- Hydrogen is naturally occurring in the body and is fundamental in energy metabolism
- Many of the mitochondria in our cells may not be functioning properly due to stress, unhealthy eating or exposure to environmental toxins and aging
- Healthy bacteria in the gut microbiome produce hydrogen. However, low fiber diets, medications, stress, and high meat diets disturb the gut microbiome and reduce the natural production of hydrogen

Any adult who consumes the Western style diet or individuals with a hectic, busy, or stressful lifestyle, may benefit from IMMUNX supplementation.

***These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

IMMUNX

Product Description

ImmunX is an herbal supplement loaded with organic ingredients that is intended to support your body's immune system.* It builds upon centuries of knowledge derived from Ayurveda and traditional Chinese remedies. It contains a proprietary blend of herbs, minerals, and mushrooms, which deliver zinc, andrographolides, polysaccharides, polyphenols, organic acids as well as additional bioactive compounds from Ginger, Turmeric, and Reishi that have been well demonstrated over centuries to support the immune system.* ImmunX can be used on a regular basis to help support the body during times of stress.

Benefits / Top retailing points

- Delivers immune system* supporting minerals, antioxidants, and co-factors
- Supports proper immune system* regulation in those that are already healthy
- Contains L-OptiZinc a form of zinc that is up to 25% more bioavailable than other forms of dietary zinc
- Loaded with organic ingredients
- Gluten, dairy and sugar free
- Soy, nut and nightshade free
- Contains adaptogenic herbs
- No fillers, artificial flavors, sweeteners or preservatives

Did you know?

Did you know that the Immune System is the body's natural internal defense force? It produces and sends into action specialized cells responsible for defending the body against invaders like bacteria and viruses. These cells are like well-trained warriors tasked with defending the temple. However, they can only do their jobs well if they are properly equipped. Therefore, it's important to get daily nutrients to support your immune system.

Directions: Take 3 capsules with a meal or as directed by your healthcare practitioner.

Caution

If you are pregnant, nursing or on medication, or have a medical condition, consult your physician before use. Do not use if seal is broken or missing.
