AGENT

An Agent is an independent distributor of Seacret who is eligible to earn commissions. To become an Agent, you must be enrolled by another Agent and pay the \$49 initial

registration fee which includes our online Welcome Kit. Once enrolled, there will be an annual fee of \$49 to be paid on each anniversary date of enrollment.

ACTIVE AGENT

To unlock most commissions, an Agent must be considered Active. Simply paying the annual registration fee does not make an Agent Active; to be considered Active, an Agent must do the following:

- To be considered Active, an Agent must either maintain 100 Total Personal Qualifying Volume (TPQV) in a 4-week period or have an active Club Seacret Membership

INACTIVE GRACE PERIOD

Should an Agent become NOT Qualified, they have 1 commission week to become Qualified again for volume to restore automatically. The volume will flush in the 2nd week of inactivity and will not restore if the order is placed in the 2nd week or later. Volume is defined as QV and CV.

COURTESY VOLUME RESTORATION

Agents can use a one-time volume restoration when they are inactive past their 1 week Inactive Grace Period as long as the request is received within 6 months of the occurrence. When this is done, volume from the last Active pay period is restored to the current week. Any volume produced or associated bonuses in a week that the Agent was inactive will not be restored.

AN AGENT MUST BE ACTIVE TO EARN COMMISSIONS

THERE ARE 7 MAIN TYPES OF COMMISSION INCENTIVES

1. Personal Sales Commission
2. Product Credit
3. Team Commission
4. Customer Group Commissions
5. Leadership Match
6. Bonus Income (Rank Advancement + Lifestyle Cycle Bonuses)
7. Annual Travel

PERSONAL SALES INCOME

Two ways to earn

1. Wholesale to Retail: Buy Seacret products at Wholesale (Agent) pricing and sell at Retail pricing; earn 36%.
2. Sell products and earn 20% Personal Sales Commission on every Retail order, VIP order and Easy Reorder to qualify for monthly TPQV tiers and earn an extra bonus according to the chart below.

PERSONAL SALES COMMISSION (WOW BONUS)	
MONTHLY TPQV*	TOTAL % PAID OF MONTHLY COMMISSIONABLE TOTAL
1-799	20%**
800 - 1,199	20% + 3% = 23%***
1,200 - 1,599	20% + 5% = 25%***
1,600 - 1,999	20% + 7% = 27%***
2,000+	20% + 10% = 30%***

Sales commission income does NOT include sales from promotions, half-price items, business supplies, Wallet Dollars, or promotion codes.

*Please note that \$2 per item is deducted from sales total for commissions. **Get your 20% Personal Sales Commission weekly on your Customer orders. For Agents, 20% is the discount received with Agent product pricing. ***Receive the additional 3-10% commission monthly, deposited the week of the 15th of the next month.

PRODUCT CREDIT

Offered to support the replenishment of products for demonstrations

Share and sell Seacret products and develop a customer base

- Achieve 300 Customer QV or more from all customer orders in a calendar month and earn Product Credit according to the chart below.

PRODUCT CREDIT	
MONTHLY CUSTOMER QV	% ON MONTHLY COMMISSIONABLE TOTAL
300 + QV	20% (Maximum \$500)

Product Credit is applied the following month on the 15th as a Wallet Credit. Unused credit is banked from month-to-month as long as the Agent remains Active.

TEAM COMMISSION

A Team Commission is generated every time an Agent accumulates 300 CV in one team (it does not matter which one) and 600 CV in the other one. This is called a Cycle. Qualified Agents earn \$45 USD for every cycle. Agents can earn on up to 555 cycles in a single week or \$24,975 in Team Commission Earnings. Any unused commissionable volume (CV) is carried forward to the next week

Team commission payout hypothetical example

PERIOD	RANK	PAID RANK	CARRY FORWARD LEFT GROUP VOLUME	CARRY FORWARD RIGHT GROUP VOLUME	NEW LEFT GROUP VOLUME	NEW RIGHT GROUP VOLUME	TOTAL LEFT GROUP VOLUME	TOTAL RIGHT GROUP VOLUME	LESSER TEAM CYCLE
Week 213	Bronze	Bronze	50	391	0	-424	50	-33	0
Week 212	Active	Bronze	550	300	1300	3691	1850	3991	1800
Week 211	Agent	Active	0	0	550	300	550	300	0

In Week 211 of the above example, the Agent is not eligible to receive a Team Commission, because a cycle was not achieved, nor were the minimum volume requirements. The volume for both legs then carries forward to Week 212.

In Week 212, the Agent’s left and right legs increased their volume by 1,300, and 3,691, respectively. This new volume is then added to the carry forward volume from the previous week, making the total Left Group Volume 1,850 and the total Right Group Volume 3,991. The Agent is now eligible for a Team Commission as multiple Binary Cycles were achieved. Since Binary Cycles are in increments of 300 / 600, the Agent in this example will have CV equal to 6 Cycles of 300/600, as a Bronze Qualified Agent the Agent will receive \$45 for each cycle, for a Total of \$270 USD.

6 CYCLES X \$45 USD = \$270 TEAM COMMISSION

Since 1,800 Left Group Volume and 3,600 Right Group Volume was used for the Binary Cycle in Week 212, those amounts are deducted from the total left and right group volumes and the remainders carry forward to Week 213 (50 volume and 391 volume, respectively). Team Commission is paid out each week there is a Binary Cycle.

Negative/Dropped Volume

In the above example, the Agent had a new Right Group Volume of -424 in week 213. Negative volume, or a decreased amount of volume, is due to a return somewhere in the Agent’s Binary Tree.

When an order in the Binary Tree is placed, the CV is deposited into the appropriate leg. When an order is returned, the CV is debited from the appropriate leg, which creates a drop in the Agent’s volume and sometimes creates a negative number.

BUILDER BONUS

Earn the following bonus when you Double cycle in a week

Introducing Seacret’s new Builder Bonus, a bonus that is directly paid on the cycles generated from your Team Commissions WEEKLY! The Builder Bonus takes the core of Seacret family to the next level. When your Team takes off, everyone benefits. Every time your Personal Agents Cycle in Team Commissions, you can potentially earn up to \$500. At the end of the commissions week, the total cycles are applied to the Builder Bonus Tier system to determine the payout.

Requirements for the Builder Bonus

- Be an Active and Qualified Seacret Agent

BUILDER BONUS		
CYCLE TIER	CYCLES	CYCLE LF BONUS
	1	–
Builder Bonus 100	2	\$100
Builder Bonus 200	3	\$200
Builder Bonus 300	4	\$300
Builder Bonus 400	5	\$400
Builder Bonus 500	6 +	\$500

LEADERSHIP CHECK MATCH BONUS

Paid As Bronze or higher Agents are eligible to receive a Leadership Check Match for simply helping other Agents achieve success. The Leadership Check Match enables you to earn up to 20% on the Team Commission of Agents that you help achieve Bronze Rank or higher within your enroller tree.

Requirements for Leadership Check Match Bonus

- Be an Active and Qualified Seacret Agent
- Be Paid As Bronze or higher
- Have a Bronze or higher Agent in your enroller tree

Leadership Checkmatch Payout

Earn up to 20% on the dollar amount earned from the Team Commission Binary Cycle of Agents that are ranked Bronze or higher in your openline tree in accordance to the chart below.

GENERATION	BRONZE	ROYALE	SILVER	GOLD	PLATINUM	RUBY	DIAMOND & HIGHER
1	20%	20%	20%	20%	20%	20%	20%
2			10%	10%	10%	10%	10%
3					10%	10%	10%
4							10%

Leadership Checkmatch Example

In Week 215, Tom is a Gold Agent, who is the direct enroller of Bronze Agent Jill. Jill directly enrolled Royale Agent Mary, who directly enrolled Bronze Agent John.

For Week 215, Royale Agent Mary has a Binary Match of 900 to 1,800 which produces her a Team Commission of \$135. In the same week, Bronze Agent John has a Binary Match of 2,100 to 4,200 which produces him a Team Commission of \$315 (see Team Commissions).

As a “paid as” Gold Agent, Tom is eligible for a Leadership Check Match Bonus. Since Tom is a Gold Agent and eligible to receive this bonus for 2 generations, he will receive 20% of the dollar amount of Mary’s payout, and 10% of the dollar amount of John’s payout.

Payout from Mary: $\$135 \times 20\% = \27 Leadership Check Match
Payout from John: $\$315 \times 10\% = \31.50 Leadership Check Match
Total Leadership Check Match Payout for Tom = \$58.50

In the above example, if Tom were only ranked Bronze or Royale, he would still receive a \$30 Leadership Check Match Bonus for Mary’s Team Commission payout, but not for John. This is because Bronze and Royale Agents are only eligible for 1 generation of Leadership Check Match Bonuses.

Achieved Rank (or High Rank) VS. Paid Rank

Your “Paid Rank” is determined by where you close out each business week. It is entirely possible to move down ranks. For example, you may achieve the rank of Crown Agent at the end of the week, but drop back down to Red Diamond in the following week.

Once you achieve a rank, that becomes your “Achieved

Rank.” Your Achieved Rank never decreases, regardless of what your “Paid Rank” is. For example, even though you may have achieved the rank of Crown Agent one week, but dropped down to Red Diamond the following week, you will always be recognized as a Crown Agent in the eyes of the Seacret Family.
