HOW YOU CAN HOST

Hosting a Seacret Experience is easy, fun, and rewarding! When you host a Seacret Experience, all you need to do is:

1. Schedule the time.
2. Invite friends and family who may be interested in Seacret's amazing products.

On the day of the event, you can create a fun, spa-like atmosphere and your Seacret Agent will take it from there. They will demonstrate the products and take the orders — all while you are being handsomely rewarded!

REWARDING
