

SEACRET™
MINERALS FROM THE DEAD SEA

THE SEACRET BOOK

THE SEACRET IS IN THESE PAGES...

Welcome to The SEACRET, your professional guide to the world's most luxurious Dead Sea skin care brand. Based on exclusive blends of Dead Sea minerals, herbal oils and extracts, and more premium ingredients, SEACRET presents a total body treatment range that nourishes the body with moisture and hydrates the skin from top to toe.

In the following pages, you'll discover a universe of skin care made simple and accessible for you. Explore our product categories for all skin types, with the Body, Foundational, Mud Therapy, Hair, Men, Age-Defying, and Recover series.

Each series includes products formulated for specific skin types and particular skin needs. Get to know individual SEACRET products, with tempting descriptions of key ingredients, skin benefits, directions for use, top retailing points, effective tips and much more.

The SEACRET product book tells you the complete SEACRET story, from cover to cover, making it easy for you to satisfy customers with the precise approach to the skin & hair care they need.

DEAD SEA BRINGS SKIN TO LIFE

What is the secret of the Dead Sea? It's all about chemistry. Located at the lowest point of earth, 417m below sea level in a landlocked region, the Dead Sea accumulates ultra-dense concentrations of minerals, saturating its mud and waters. SEACRET extracts and bottles the beneficial components of the Dead Sea, bringing the unique beauty benefits to customers worldwide.

Proven by science, Dead Sea minerals are skin-loving, youth-enhancing, nutrient-rich gifts of nature:

- Deeply hydrating
- Enhancing skin renewal
- Protecting against free radical damage
- Soothing and rejuvenating

THE SEACRET SERIES

From body care to facial therapy, hair styling and age-defying products for the skin, use the following series descriptions to guide you to the right beauty treatment for a variety of skin challenges, and the precise product just for you.

BODY CARE luxury lotions, creams, scrubs and cleansers for ultimate cleansing and rejuvenation.

FOUNDATIONAL with a natural twist, based on blends of Dead Sea minerals, herbal extracts, amino acids and fatty acids.

MUD THERAPY powerful Dead Sea mud and mineral-rich formulas to revitalize dry skin.

HAIR CARE for all hair types, infused with Dead Sea black mud and minerals, argan oil and silk protein.

MEN energizing series specially formulated for men's skin, based on powerful Dead Sea mineral blends.

AGE-DEFYING advanced peptide technology and powerful antioxidant blends formulated for the needs of maturing skin.

BIO SHIELD COMPLEX skin-adapting, skin-refining complex that helps provide a unique antioxidant defense against environmental factors and the visible signs of aging.

TIP

Moisturizers are important for people who use strong cleansers to treat oily / problematic skin, as cleansers often strip away the skin's natural moisture. As a result, the skin responds by producing more oil to protect itself. Using a moisturizer helps hydrate the skin and decreases oil production in the epidermis.

NOT TESTED ON ANIMALS

Skin condition

All skin types.

Product description

An innovative, instant cream-to-foam shaving cream that's formulated to hydrate, restore, and keep your post-shave skin feeling calm and refreshed throughout the day. The rich foam formula helps the razor glide while creating an essential ultra-protective razor cushion for maximally clean, close, comfortable shave.

Directions

Step 1. Wet the face with lukewarm water.

Step 2. Put a little cream on your fingers and massage the area to be shaved using circular motions until you see a rich lather appear.

Step 3. Shave and rinse.

Benefits / Top retailing points

- Delivers immediate cooling and calming effect with menthol
- Soften facial hair for an improved shaving experience
- Effectively prepares the face for a smooth shave
- Helps to protect the skin while soothing any razor burns

My Seacret Tip

A warm shower shaving will open your pores and follicles, allowing your hair to protrude out. When shaving, follow the direction of hair growth (top to bottom), and hydrate your skin post-shave.

TECH

Coating technology transforms the way we remove mascara! The formula coats lashes and sets without smudging, clumping or smearing. Due to the special technology, the coat structure slides off easily with warm water.

NON SMUDGE MASCARA

CONE-SHAPED BRUSH

BLACK

 EASILY REMOVED
WITH LUKEWARM WATER

Product description

A long-wearing, smudge free mascara that volumizes and separates lashes. Extremely easy to remove with just warm water.

Directions

Glide brush, volumize and separate from root to tip with a gentle zigzag motion to catch even the smallest lashes. Repeat as desired for a bolder luscious look. Remove with warm water.

Benefits / Top retailing points

- Coating technology formula - loosens with warm water and allows formula to slide off easily.
- Long wear mascara that won't smudge, smear or clump.
- NO PANDA LOOK!
- The dual-purpose brush has a precision tip that evens lashes, and a rounded base to easily achieve maximum fullness.
