

# PRO STYLING EYELASH CURLER

## Product description

A professional eyelash curler for lasting curl and a dramatic look.

## Directions

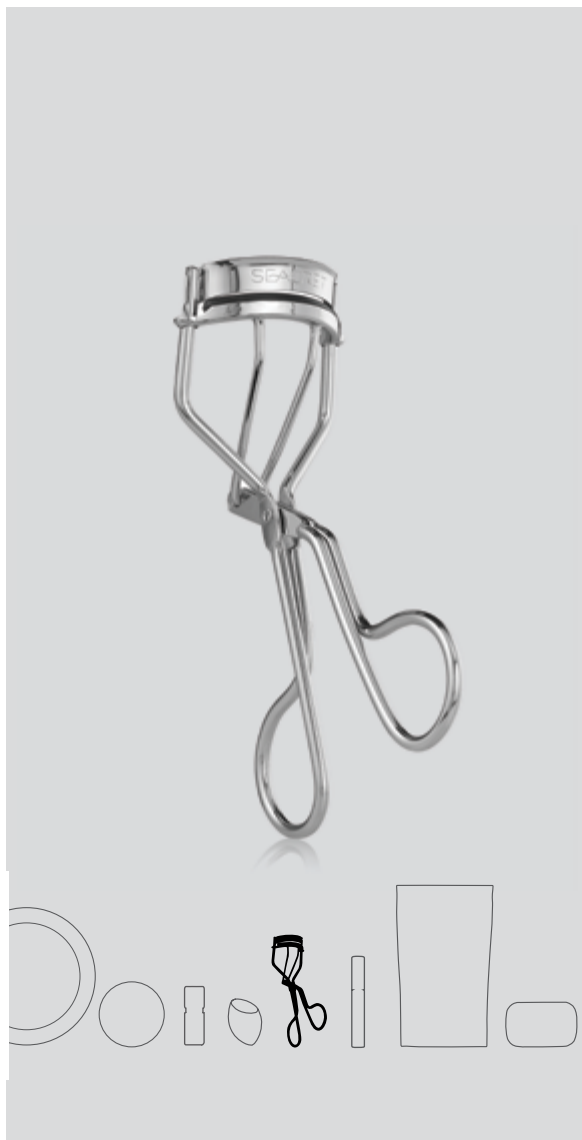

1. Use before applying mascara.
2. Tilt face upward while looking down. Then, carefully position the curler along the base of the lash line so lashes will rest between curler and the silicone pad.
3. Gently apply pressure to the lashes and hold for a few seconds.
4. Repeat until the desired curl is achieved.

## Benefits / Top retailing points

- Easy to use, with dramatic results.
- Silicone pad protects lashes from breaking.

## Best used with

Non-Smudge Mascara  
CC Cream

For a natural curled look, repeat process curling lashes upward and outward starting from the base and working toward the ends of lashes while decreasing pressure towards the tips.
